Northwest School of the Arts 2022-2023 Expectations

Northwest School of the Arts Creed

When I want to speak let me think first.
Is it true?
Is it kind?
Is it necessary?
If not, let it be unsaid.
When speaking of others this day, I desire to do so with a spirit
of kindness.

AS A FAMILY MEMBER OF NORTHWEST SCHOOL OF THE ARTS:

You represent yourself.

You represent your family.

And now you represent the NWSOTA Community.

We call you to be the best that you can be, and we will daily push you above and beyond that expectation.

We expect you to exhibit the characteristics of a NWSOTA student 24 hours a day, 7 days a week, and 365 days a year. This includes during the school year, vacation, public, dances, parties, on social media, and anywhere else you go.

You are a member of the NWSOTA family, and we care about who you are and what you do!

DRESS CODE

The dress code at Northwest School of the Arts is designed to give students freedom of expression while supporting choices that are professional.

We ask all students to arrive in dress code each day and all parents and guardians to support their students so that we can maintain a focus on academics rather than spending time on dress code infractions.

Any student who does not have enough dress code appropriate school clothing should contact the Behavior Intervention Specialist (Ms. Abdullah), Principal (Mr. Lockett) or our Say Yes to Cleveland Family Support Specialist (Ms. Worley)

Dress Code is enforced as follows:

Teachers will check dress code daily during homeroom/ morning meeting. Students may also be checked for dress code by any adult throughout the school day.

Students who are out of dress code will receive communication from school staff/ administration. PLEASE READ: Students at HANW bring cell phones and technology to school **at their own risk**. To maintain a focus on rigorous arts and academic instruction, Northwest School of the Arts CANNOT BE RESPONSIBLE FOR LOST, STOLEN, OR DAMAGED CELL PHONES AND TECHNOLOGY. **Due to the amount of time required to request and review camera footage, NWSOTA will not be able to review footage in search of lost, missing, or stolen cell phones/technology.** Students with concerns over the safety of such items should keep the item secured in their locker, leave their cellphone/technology to a trusted adult, or leave it at home. Cell phones not in use for an authorized purpose should be powered completely off and secured in a locker, backpack, or purse. Even when items are secured in this manner, the student who chooses to bring the item to school does so at his or her own risk. In order to ensure a safe and positive culture in the hallways, students must comply with the following expectations:

- Teachers may confiscate phone until the end of the period OR administration may confiscate the phone until the end of the day. Confiscated phones/electronics must be held in a secure location and labeled with the student's name. Multiple infractions may result in loss of privilege (a student cannot have their phone at school for a designated period), or the phone being held for a parent/guardian to pick up.
- Teachers reserve the right to request all students who enter their classroom to place their cellphones in a designated area upon entering the classroom.
- Students should keep their phones powered off and stored in a locker, purse, or backpack when not in use for an approved reason. Cell phones are not to be visible in the classroom unless a teacher instructs you to take them out.
- Students may not take photographs, livestream, audio or videos of other students and staff.
